Disease type : KIDNEY\_FAILURE

### **Urgent Medical Appeal for Ebisa Gebisa**

We kindly inform you that our beloved friend and brother, Ebisa Gebisa, has been diagnosed with kidney failure and is currently in urgent need of medical treatment. As you can imagine, the cost of care is high, and his family is facing serious financial challenges.

If you are able and willing, your financial support can make a life-saving difference. Every contribution, no matter the amount, is deeply appreciated.

Dr. Tewodros Adhanom
